The CPOSS database in numbers

311	519,167	45	75
CSP datasets	archived structure files	named scientists	unique CSP papers

A Molecular size

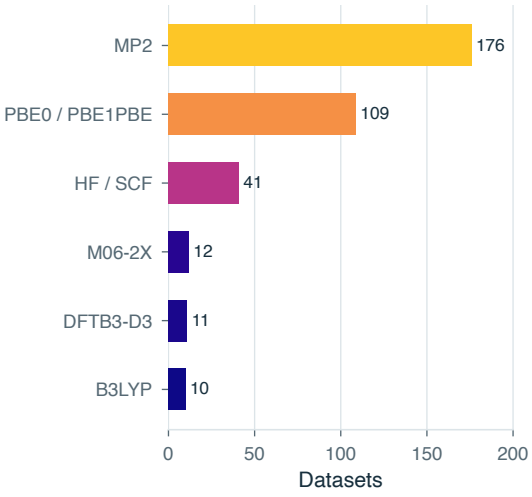

B Structures per dataset

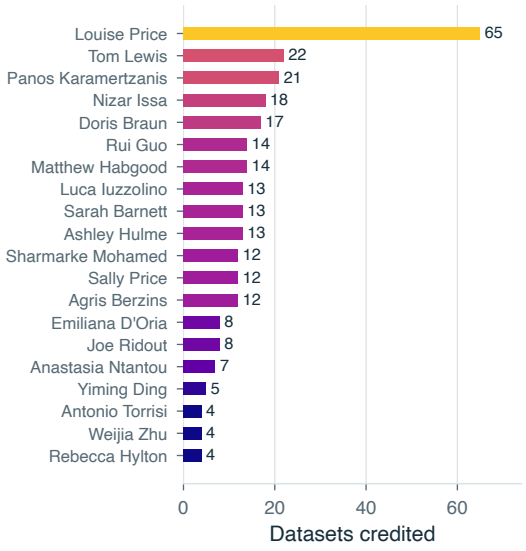

C Energy models

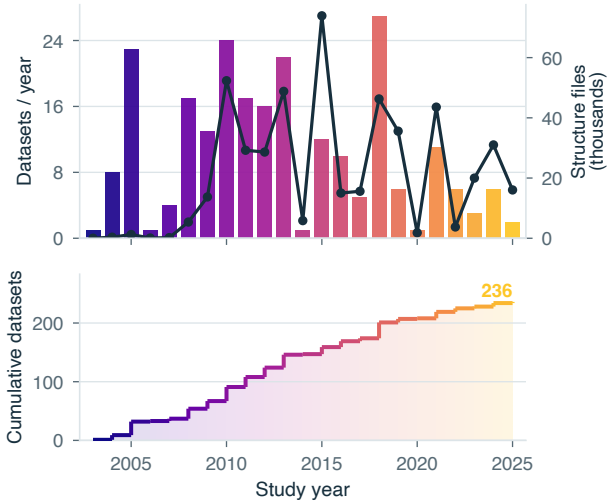

Electronic structure theory level

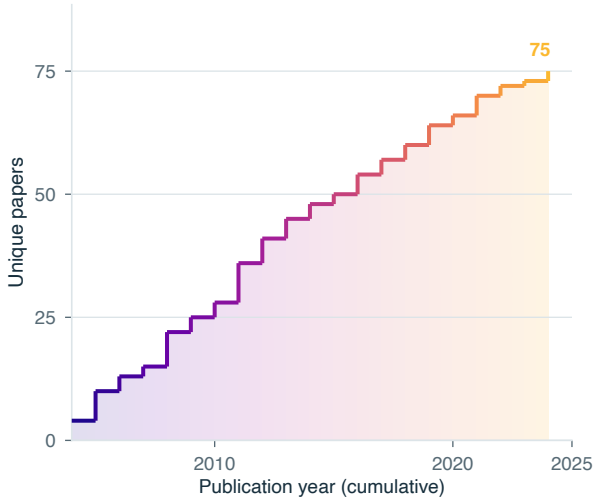

D The scientists

E Landscapes through time

F The linked literature

75 searches with ranges / pre-2010 dates excluded from annual bins;
30,756 archived structure files have no single study year.
